Congrats to the Red Wings on winning the Stanley Cup in 2008; best team in hockey this year when it was all said & done. Hats off to the Penguins on a solid playoff run, in the end, the Wings were far more superior but the Pens battled right to the very end.

I've watched hockey since 1991 & IMO this was one of the better Finals for hockey; one of my Top 5 Fav Cup Finals ever. Some very entertaining hockey in this year's Cup Final indeed:-)

Of course it's not mentioned that the Pens last
4 goals of the series came on the power play
or a pulled goalie, even in triple OT they scored on the PP. The refs did all they could to keep Pitt. alive but the Wings were the better
team, they'll win the cup in the very near future. Go Wings Go!
